CAT 2019 ELIGIBILITY

The candidate must hold a Bachelor's Degree, with at least 50% marks or equivalent CGPA [45% in case of candidates belonging to the Scheduled Caste (SC), Scheduled Tribe (ST) and Persons with Disability (PWD) categories], awarded by any University or educational institution as incorporated by an Act of Parliament or State legislature in India or declared to be deemed as a University under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognised by the Ministry of HRD, Government of India. The percentage of marks obtained by the candidate would be calculated based on the practice as followed by the respective University/Institution. In case of grades/CGPA, the conversion to percentage of marks would be based on the procedure as certified by the respective University/Institution. If any University/Institution confirms that there is no scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing the candidate's CGPA by the maximum possible CGPA, and multiplying the result with 100.

Candidates appearing for the final year of Bachelor's degree/equivalent qualification examination and those who have completed degree requirements and are awaiting results can also apply. However, it may be noted that such candidates, if selected, will be allowed to join the programme provisionally, only if they submit a certificate from the Principal/Registrar of their University/Institution (issued on or before the date as stipulated by the respective IIM) stating that they have completed all the requirements for obtaining the Bachelor's degree/equivalent qualification on the date of the issue of the certificate. IIMs may verify eligibility at various stages of the selection process.

For more details on eligibility, candidates are advised to visit the "CAT 2019 Eligibility" section of the CAT website.

Candidates should note that the mere fulfillment of the minimum eligibility criteria would not ensure consideration for shortlisting by IIMs.

RESERVATION

As per the legal requirements, 15% of the seats are reserved for Scheduled Caste (SC) candidates, 7.5% for Scheduled Tribe (ST) candidates, 27% for Other Backward Classes candidates belonging to the "Non-Creamy" layer (NC-OBC), up to 10% for Economically Weaker Sections (EWS) candidates and 5% for Persons with Benchmark Disabilities (PwD).

As defined in The Rights of Persons with Disabilities Act, 2016 (RPwD Act 2016), "Person with Benchmark Disability" means a person with not less than forty percent (40%) of a specified disability where the specified disability has not been defined in measurable terms and includes a person with disability where the specified disability has been defined in measurable terms, as certified by the certifying authority.

“Specified disability” means the disabilities as specified in the Schedule of the RPwD Act 2016.

The categories of disability are:

- a) blindness and low vision,
- b) deaf and hard of hearing,
- c) locomotor disability including cerebral palsy, leprosy cured, dwarfism, acid attack victims and muscular dystrophy,
- d) autism, intellectual disability, specific learning disability and mental illness, and
- e) multiple disabilities from amongst persons under clauses (a) to (d)
- f) other 'specified disabilities' mentioned in 'The Schedule' of the RPwD Act 2016.

For the purpose of being considered for reservation, the applicable Central Government list as on the last date of CAT registration shall be binding. **No subsequent changes will be effective for CAT 2019 and any subsequent selection process of the IIMs.**

The candidates belonging to the reserved categories need to also note the eligibility requirements carefully before applying. It should be noted that while it is the endeavor of IIMs that the candidates belonging to SC/ST/NC-OBC/EWS/PwD categories join the programme in proportions mandated by the law, they have to meet the minimum eligibility criteria and a certain minimum level of performance to be considered for the admission process. The candidates should read the updated description of the selection process followed by each IIM on their respective websites.

No change in the category will be entertained after CAT registration; hence, applicants are advised to pay attention while registering.

PAYMENT OF CAT REGISTRATION FEE

₹950 for SC, ST and PwD candidates.

₹1900 for all other candidates.

Please note that a candidate needs to pay the registration fee only once, irrespective of the number of institutes he/she is applying for. SC, ST and PwD candidates must upload a copy of their SC/ST/PwD certificates at the time of registration. Fees once paid cannot be refunded under any circumstances.

For more information, refer to the admissions policies of individual IIMs on their respective websites.
